Re: Upcoming Channel 1970 Programs and special events

Two special events are coming up this week. First, on **Wednesday, April 29 at 4 p.m.** Kathy Barton will be live on 1970 to answer all your questions. My role is to ask the questions, and your role is to provide them. If you have questions for Kathy, please email them to me at [fuddlescat@verizon.net](mailto:fuddlescat@verizon.net) by the end of the day on **Monday, April 27.** If you don't have email, you can send me a note (C-221) via campus mail. No phone calls, please. This is a great opportunity to hear directly from management in this challenging time.

You also have an opportunity to check in on **Thursday, April 30**, when the DVRA will hold a virtual "Listening Post". Ann Miller will take your emails between 9 a.m. and 5 p.m. at [millera518@comcast.net](mailto:millera518@comcast.net). This is the preferred method of communication. If you do not have email, you can call her between 9 and 10 a.m. at 484-427-7061. She and Len Magargee will take your questions, research answers, and get back to you. This is an experiment. If it works well, we will do it again.

For your viewing pleasure this week, we offer three movies: "Amadeus", "Chicago", and "The Shootist". The Liebermans take you to Australia and New Zealand, while Rick Steves guides you through Croatia and Dubrovnik. If that isn't enough travel, we also take you to the Galapagos Islands Tuesday afternoon. Our history course on the Roman Empire continues, as does "The West Wing". For serious music lovers, the Berlin Philharmonic will be playing symphonies by Schumann and Brahms, while lighter fare will be offered by Peter, Paul & Mary. And exercises! Of course our daily morning exercises! Keep moving and stay safe!
