Re: **CONTINUED UPDATE RE. COVID-19**

April 16, 2020

General Update

Update: updates are bolded

Residential living –	1 case on Campus – Retested to be cleared
Skilled Nursing -	2 cases on Campus - Recovering
	1 case on campus – tested positive 4/15/20
Personal Care -	0 cases
DV Employees -	2 cases – self-isolated at home – Returned to work
	4 cases – self-isolated at home
DAH Employees-	3 cases – self-isolated at home (2 are new cases)

Information for Care Center Residents and Families

We have 3 cases on the same unit in the Care Center. The Hallway has been cordoned off so only staff working on that unit may enter with Personal Protective Equipment.

PLEASE EXERCISE VIGILANCE WITH HAND WASHING!

We understand that these circumstances are difficult and appreciate your cooperation.

Information for Independent Residents Please report any symptoms of fever with sore throat, congestion, and cough to Health & Wellness.

Attached to this memo is the updated Marketplace list, which includes brands and sizes. Orders can be taken between 9:30-11am Monday – Friday and will be delivered the same day.

Everyone that has asked for a mask has received it. If you did not get one and would like one, please call or e-mail me and I will get it to you. Thanks to the 20+ sewers we have plenty and are now giving them out to staff. If you would like to make more, please let me know. I plan to make more kits this weekend.

Updates will continue to be provided as necessary and are posted on our website: www.dunwoody.org if your family is interested in following this information.
