Re: **CONTINUED UPDATE RE. COVID-19**

April 18, 2020

General Update

Update: updates are bolded

Residential living –	1 case on Campus – Retested to be cleared
Skilled Nursing -	2 cases on Campus – Recovering
	0 cases - Personal Care
DV Employees -	5 cases – self-isolated at home
DAH Employees-	2 cases – self-isolated at home
COVID related deaths	as of 4/18/20 – 3 deaths (a new line)

I had a question about what staff were Positive with COVID. We currently have 5 nursing staff and 2 Dunwoody at Home aides out with the Virus. We had one from dining who was self-quarantined very early on and was not around food (management team member). He returned on 4/16/20 after being cleared by Dr. Lawrence.

Drop off hours – if you are dropping off items for your families or friends at Dunwoody - packages can be accepted from 7am-7pm Monday – Friday and 8am-5pm Saturday/Sunday. Please use this window for deliveries – doors lock after these times.

Information for Care Center Residents and Families

Information for Independent Residents Please report any symptoms of fever with sore throat, congestion, and cough to Health & Wellness.

Erin Price put together adult coloring packets and puzzle packets. If you would like one please call her at 610-707-4898 and she will get a packet to you. Please leave your name, room number, and which packet you would like.

Thank you to all who participated in the coloring contest! Susie Brandt and Eileen Epp were the winners!

Newspaper delivery from 4/18/20-4/26/20 will be Curt and Kathy. If you have any issues, please let us know (610-359-4428).

A resident told me about a new Hack from Net Flix, trying to get your payment information. Hackers are still present, so please be careful with any requests for money or billing information. If you are not sure, contact Kathy Barton (610-359-4428) and I will check it out for you.

We have been having some issues with wipes being flushed down the toilet. Please only flush toilet paper – we do not want back- ups right now!

Our face mask group has produced over 300 face masks so far. Our next project is to get 2 masks per resident in the care center – that is about 260 total. Currently they have surgical masks, but we really need them for the staff, so Our goal is to make them this week – we are using t-shirt material for the ear loops (softer on the ears) and no pipe cleaner so they can be laundered (the reason for 2 per person). We will have room numbers on the masks. Thanks to all the sewers who have helped make masks! It is very much appreciated! I have had many compliments from residents and staff. I still have masks if you need them – just send an e-mail or give me a call (610-359-4428).

Updates will continue to be provided as necessary and are posted on our website: www.dunwoody.org if your family is interested in following this information.

PLEASE EXERCISE VIGILANCE WITH HAND WASHING!

We understand that these circumstances are difficult and appreciate your cooperation.
