Information for Care Center Residents and Families

DUNWOODY STAFF HAVE BEEN ASSISTING PERSONAL CARE AND SKILLED NURSING RESIDENTS WITH FACETIME AND OTHER VIDEOCONFERENCING PLATFORMS TO CONNECT THEM WITH THEIR FAMILIES. IF A **CARE CENTER RESIDENT AND/OR FAMILY MEMBER** WOULD LIKE MORE INFORMATION, CONTACT THE RECREATION DEPARTMENT AT (610) 723-4766.

PLEASE EXERCISE VIGILANCE WITH HAND WASHING!
We understand that these circumstances are difficult and appreciate your cooperation.

Information for Independent Residents Please report any symptoms of fever with sore throat, congestion, and cough to Health & Wellness.

When you get a chance, you may want to start your car and let it run a bit, if you have not used it in the last few weeks.

Be aware that the benches on the walking trail could be contaminated if others have touched it.

The care center could use IPOD Shuffles or IPOD's for the residents to have music. These are the older versions of apple products, so if you are cleaning out your drawers and would like to donate them, please contact the Recreation Department at (610) 723-4766.

MENUS ARE DUE TODAY!

Thanks to all the people that have offered to sew Face Masks. Face masks will start to be handed out today – it will be left at your front door in a baggie. If you want one, just let me know! We have 160 kits out – and I will be making more....

Updates will continue to be provided as necessary and are posted on our website: www.dunwoody.org if your family is interested in following this information.
