Personal Care Covid related deaths 0 cases

Employees

DV Employees 4 cases – self-isolated at home

DAH Employees 0 cases – self-isolated at home

Employee Pending cases 0 case

COVID cases recovered–employee 13 cases

We had good news yesterday in Personal Care – our one pending resident tested negative. Late last night a resident was tested in personal care. Also, we had 5 employees that were positive that have recovered and have been released by Dr. Lawrence to return to work today (5/15/20). We also found out a new staff member tested positive – they have not been on sight since 4/14/20. In Skilled we had 4 residents re-tested that had tested positive earlier – we hope they will be cleared.

There will be no memo over the weekend. Enjoy the warmer weather!

Newspapers – we are trying something new this weekend so that only one staff member has to come in over the weekend. Curt will be delivering all of the papers in Dunwoody Village this

weekend. Curt and I walked the whole route this morning, including the care center, so we should be good to go. It took us about 2 hours to do the whole route. Please be patient with us!

Monday May 18th-Friday May 22nd we will have Gary and Kathy delivering papers.

I have been getting a lot of questions about people that want to go on vacation for a week or longer – I am working with the healthcare team to discuss what the protocol will be when you would return from your vacation. I should have an update by next week.

Information for Care Center Residents and Families

Information for Independent Residents

Health Direct Pharmacy Services is only delivering to one location on campus during the pandemic- the Care Center Reception Desk. The receptionist notifies the transportation department and they pick the prescriptions up and deliver them. If a second round of prescriptions come later in the day, the H+W nursing staff delivers them and sometimes requests the assistance of our security department to deliver a prescription.

Casey's has opened back up for curbside pickup and delivery. Attached is their menu and some specials they will have through the weekend (even though it says Thursday). If you are interested in ordering food, you should **call 610-636-6814** and place your order between 1:30-3:30 and they will deliver to Dunwoody at 5pm. Please see their flyer and menu for more information.

Tuesday night it was announced that the Herb garden was open for use. Please only one at a time as it is a small space – and wear gloves and mask. It is located on the left side of the hall on the way to East Country Houses. If you get to the steel doors – you have gone too far.
