**Information for Care Center Residents and Families**

We have completed over 60 window visits since May 8<sup>th</sup>. If you are interested, please contact the admissions department in the care center and they will get one set up for you. It is a great way to see your loved one.

### **Information for Independent Residents**

This weekend Newspapers will be delivered by Kathy Barton (Saturday-Monday). If you have any issues, please let me know before 9am if possible so I can redeliver before I leave. Tuesday-Friday delivery will be Curt and Gary. We have had some issues with papers missing this week. I am trying to work this out with the distribution center.

### **Fire Drill Lighting system**

Please note that the lighting system at the fire drill meeting points is still not operational. We had to delay training due to the COVID outbreak. Training has been scheduled for Wednesday, May 27<sup>th</sup> for the front desk, Maintenance, and security staff. Once we have all the staff trained, we will turn the system on and start using it. We will be sure to let you know when it is operational.

Voting – June 2, 2020

If you submitted a Mail in or Absentee Ballot application and have not yet received your ballot to place your vote please know that they are on their way. The county voting office has received an overwhelming number of applications and it is taking them time to get through them all. If you are concerned that your application was not received by the county voting office you can check the status of your application and ballot at [www.votespa.com](http://www.votespa.com) or call Erin Price at 610-707-4898 and she can check it on the website for you. The Delaware county voting office is working hard to get your ballots to you in time to cast your vote, you have until 8pm on June 2<sup>nd</sup> for your voted ballot to be RECEIVED by the county office. We are also looking to see if they can have a van pick up ballots if you get them late. More to come on this as we get it set up.
