Employees

DV Employees 6 cases – self-isolated at home

1 case – in hospital

DAH Employees 1 case – self-isolated at home

Employee Pending cases 1 case

COVID cases recovered–employee 7 cases

There are many changes today. We have new guidelines on what to report to families, so I have changed the format to fit the requirements. Each area has their own statistics.

The last few cases we had in the care center were all on the same unit, so Dr. Lawrence and the medical team decided to test the whole unit. Of the 10 residents tested, 5 were positive, 3 are negative and 2 are still pending. We had a death yesterday that was pending and came back inconclusive. I added a separate category until it is determined and they are not in the count for Covid related deaths. I also added recoveries and

pending for employees. Please email me if you have any questions – kbarton@dunwoody.org.

The committee for religious concerns wanted me to remind everyone that the National Day of Prayer is May 7, 2020.

For anyone making hearts – they are starting to come in and they are so cute! Please forward any that you have completed by Friday so we can start delivering them to Lankeneau Hospital. We will do another pickup next week so if you are still working on them, keep stitching!

Information for Care Center Residents and Families

Information for Independent Residents Please report any symptoms of fever with sore throat, congestion, and cough to Health & Wellness. If you do not use a Dunwoody doctor, please let us know **immediately** if you are being tested or have tested positive.

On Thursday, May 7th at 1pm the Newtown Square Fire Department will be driving through our campus with sirens on to thank all of our staff for all they are doing! Please be careful if you are out walking on the Dunwoody roads!

The putting green will open up to 2 golfers, as I was advised that there are 2 separate and socially distanced 9-hole courses.

The management and Library committee are working together to come up with a plan to allow books to be returned and new books to be checked out. More details will be available shortly!

Please see the attached memo from Environmental Services to refresh you on recycling.

PLEASE EXERCISE VIGILANCE WITH HAND WASHING! We understand that these circumstances are difficult and appreciate your cooperation.
