Information for Care Center Residents and Families

Information for Independent Residents Please report any symptoms of fever with sore throat, congestion, and cough to Health & Wellness. If you do not use a Dunwoody doctor, please let us know **immediately** if you are being tested or have tested positive.

Erin Price wanted me to let you know that we received a donation of coloring books - if you would like one, email Erin at Eprice@dunwoody.org and she will get one to you. Also, she has puzzle packets if you need one.

If you are trying to get ahold of Health Direct Pharmacy (old KOPPS) the new phone number is 1-833-917-2102. Some residents have the old number on their pill bottles. Please check the numbers you have.

PLEASE EXERCISE VIGILANCE WITH HAND WASHING! We understand that these circumstances are difficult and appreciate your cooperation.

We had 9 baby chicks hatch this week in the Activities room!
