Re: **CONTINUED UPDATE RE. COVID-19**

**June 10, 2020**

**General Update**

**Update: updates are bolded**

**Residential**

Residential living	1 case
<b>Residential Pending Cases</b>	<b>0 cases **</b>
Residential Covid related Deaths	1 case
Residential cases recovered	2 cases

**Skilled Nursing**

Skilled Nursing	0 case
<b>Skilled Pending cases</b>	<b>0 Cases*</b>
Skilled cases recovered	3 cases
Skilled Covid related deaths	7 deaths

**Personal Care**

Personal Care	0 cases
Personal Care Pending cases	0 cases
Personal Care Covid related deaths	0 cases

**Employees**

DV Employees	0 cases – self-isolated at home
DAH Employees	0 cases – self-isolated at home
<b>Employee Pending cases</b>	<b>1 case***</b>
COVID cases recovered–employee	17 cases

As I announced last night at the DVRA meeting, we have made significant progress...

**\*Skilled Nursing –** The last test on the floor with most of the COVID 19 cases was negative so the whole floor is clear of the virus. The test on the other wing was also negative – so we have a COVID free Care center!

**\*\* Residential –** Both residents that were tested for COVID came back Negative. We still have one positive case in the Hospital.

**\*\*\* Employees –** one Employee test came back negative – we are awaiting one other pending test.

### **Housekeeping services for residential**

Starting June 15, 2020, The Environmental Services Department will start back to weekly Housekeeping Services. If you have stopped your housekeeping and would like to be added back, please contact Ken Matsinger at 610-359-4489 and you will be added back to the list. If you are still not comfortable, we can still change out linens. Common areas are still a priority and will be wiped down by staff daily.

### **Herb Garden update from Delores Broberg**

As for picking, the kale is now ready. Take outer leaves from the bottom of the stalk. Also, please take some leaves from each plant - especially from those which seem to be encroaching on other plants. We have had a dill disaster. The plants are recovering, but will need some time to develop. Taking a few leaves from the basil is O.K. Notice that the garnet basil wants to flower. Those points are edible, tasty and pretty. Please prefer them if you see them.
