Residential Covid related Deaths	1 case
Residential cases recovered	2 cases

**Skilled Nursing**

Skilled Nursing	0 cases
Skilled Pending cases	0 cases
Skilled cases recovered	3 cases
Skilled Covid related deaths	7 deaths

**Personal Care**

Personal Care	0 cases
Personal Care Pending cases	0 cases
Personal Care Covid related deaths	0 cases

**Employees**

DV Employees	0 cases – self-isolated at home
DAH Employees	0 cases – self-isolated at home
<b>Employee Pending cases</b>	<b>0 cases*</b>
COVID cases recovered–employee	17 cases

**\* Employees** – our last pending case for an employee was negative!

**Skilled Nursing testing -**

We have received word from the state that we need to test all skilled residents and skilled staff by July 24th. We are looking to test the whole skilled center (50 people) on 6/16/20. We will also start staff testing and test a portion each week until all have been tested.

**Hearts for Lankeneau** – the Residents and staff made over 100 hearts for the hospital!

Thank you for all that helped to create them!

**Masks** Just a reminder to please wear your mask when out of your apartment and in the hallways. If you are walking alone outside, it is ok to not wear your mask – but if you run into anyone or walk with others, you need to put it on. We also strongly advise you to

stay on campus as much as possible – only going out for emergent needs like doctor’s appointments or curbside pickup. We all need to be careful for ourselves and our neighbors!

**Missing Chair** – we were notified by a resident that a folding upholstered chair that belongs to a bridge set (table and 4 chairs) is missing from the second floor H parlor. If you borrowed the chair, please return it immediately as they are not property of Dunwoody but a private resident.

**Announcement from your Chief fire safety Warden Pete Hubbard:** Due to the ongoing pandemic, we will **NOT** hold our regular quarterly fire drill which was scheduled for Thursday, June 18<sup>th</sup>. Instead, I would ask all residents in the Village and Country Homes sometime during the month of June to make it your mission to physically go to your primary assembly point, to physically go to your secondary assembly point, and if you are able, to physically go to your outside assembly point. All the assembly points are posted on the framed yellow notices hanging on the wall next to your primary assembly point. If you are unsure where your three assembly points are located, ask your fire warden or assistant fire warden to help you. If you do not know who your fire wardens are, call or email me, Pete Hubbard, and I will have them call or visit you, keeping physically distant of course.

On a related subject, training for the security and maintenance personnel is still ongoing for the green, yellow, and red light system. You will be notified when the system is operational.

**Housekeeping announcement –**

Just a reminder that Monday we will begin weekly housekeeping services for all residents that are interested. If you want to be added back onto the list, please contact Ken Matsinger at 610-359-4489. While your housekeeper is in your apartment, please wear your mask or sit outside. Any questions, contact Ken!

Re: Upcoming Channel 1970 Programs, etc.

Things are beginning to look up as we settle into the “yellow” phase and Dunwoody slowly opens up. The social circles outside are a great success. Except for one resident in the hospital, Dunwoody is finally free of coronavirus. More loosening can be expected soon. That said, now is not the time to shout “Whoopee!!”, throw your masks aside, and march into every store you can think of. We got to this point by hard work and sacrifice. It will take more hard work to keep the villainous virus at bay. The world is still a dangerous place, with the virus lurking unseen around every corner. If you’re not worried about yourself, at least worry about possibly contaminating your friends. We’ve done really well to get this far, so hang in a bit longer!

There’s plenty on Channel 1970 this week to distract you. We air the final episode of Ken Burns’ “National Parks”. On Wednesday evening we return to the Berlin Philharmonic, featuring Mozart’s piano concerto in D major, opus 26, as well as works by Ravel and Bizet, with Daniel Barenboim as soloist and conductor. The movie musical this week is “Call Me Madam”, which I remember seeing at the Valley Forge Music Fair in the mid-1950s. I suspect some of you were there also. Museum Masterpieces concludes our visit to the Louvre this week with final programs discussing Jacques-Louis David, Delacroix, and Ingres. Great Courses will feature Louis Pasteur, the Wright Brothers, the assassination of Archduke Franz Ferdinand, and the Russian Revolution. Fawlty Towers and the West Wing both continue, but Friday night features a new, outstanding documentary, “Rivers and Tides: Working With Time”. Two movies bracket our week, “Hello, My Name is Doris” on Sunday afternoon, and then “Sarah’s Key” on Saturday evening.

**PLEASE TURN OVER TO SEE THE 1970 SCHEDULE FOR NEXT WEEK**
