COVID cases recovered–employee	17 cases

**Staff change:**

We would like to inform the Dunwoody Village residents of Kim Ring's resignation from her position as Resident Engagement Coordinator in our marketing department. Many of you were introduced to Kim in her position in resident billing (where she worked for 3 ½ years).

We thank Kim for her time and many contributions to Dunwoody Village. Please join us in wishing her the very best in her future endeavors.

Elaine, Monica, and Sally

**From the County:**

After weeks of library buildings being closed as a result of COVID-19, many Delaware County libraries are now offering contactless pickup of books and other materials. Patrons can call or email a library that owns the items that they would like to request. Staff will then pull the items, check them out, and make them available for pickup in a contactless manner. Details about each library's procedures can be found on individual library websites and at <http://www.delcolibraries.org/Coronavirus-Updates>
