Re: **CONTINUED UPDATE RE. COVID-19**

June 26, 2020

General Update

Staff testing –

6/23/20 - 82 tested, 70 negative, 3 asymptomatic Positives, 9 are still pending. The employees that tested positive work in dining, nursing, and transportation and are recovering at home.

Residential update:

The Chairs by the Octagonal school are going to be moved to the Dunwoody At Home grassy area. We have noticed many walkers on Penrose Drive and thought it might be a better location for taking a break and see others.

On 6/29/20, the lounge and club room will be opened for up to 6 residents. Please stay socially distanced and wear your mask. With it getting hot outside, we thought you might like to have an indoor area to visit.

I have had the question from some asking why the pool will not open right away. The compressor has to be replaced and we ordered it on June 5th (right after we found out the problem) and it is scheduled to be here July 5th. This has been a common problem – many things are backordered. We will have it back up and running as soon as the part comes in.

I have also received comments about the hair salon - why is it not opening today. We had to order partitions to put between chairs – and many hair salons are doing the same thing. Once we have them on site, we will have the hair salon back up and running as soon as we can.

I was asked if we had some resources if you are struggling with isolation, concern, depression, etc. Below is a list of providers in the area that we suggest.

Dr. Rona Pasternak is our in- house Psychiatrist and is available for telehealth appointments every Monday. Residents would need to contact the Wellness Center or Erin for an appointment. Dr. Pasternak contacts the resident directly after the initial call to schedule an appointment.

Eileen Pitone is a Clinical Nurse Specialist she specializes in Psychiatry and Psychotherapy. She is available for talk therapy as needed and residents can either contact the Wellness Center/Erin for an appointment or reach out to her directly at 484-620-0644.

Delaware County also has two mental health hotlines that are available. They have a Peer Warm Line that is available Monday-Friday from 6pm-12am and 1pm-11pm every Saturday and Sunday. The warm line is a great resource for anyone who would like to speak with someone more immediately, it is run by fellow peers in the community who have personal experience with a variety of mental health diagnoses and can lend a listening ear to anyone who needs someone to speak with and can also provide further resources. The phone number for the DE County Peer Warm Line is 855-464-9342.

There is also a DE County Mental Health Telehealth line that will connect you directly with a Mental Health professional 24/7 for an immediate telehealth consultation. The De County Mental Health Telehealth line can be reached at 855-464-9342 ext. 2.

Dunwoody Village
MEMORANDUM

To: All Residents

From: Gary Ladeau, Director of E.V.S Department

RE: July 4th Holiday

To: All Residents
From: Connie Stuckert, President, DVRA
Re: Upcoming Channel 1970 Programs, etc.

We're trying something new, starting this week. I will continue writing my weekly memos to the residents, but I will no longer do the 1970 afternoon programming and coordinate the schedule. I am very grateful to Barbara DeConcini for taking on that task, and to Monica Knauss in Marketing for actually laying out the schedule. Please bear with us as we iron out any kinks during this transition.

Today is the last day to submit questions for "Kathy and Connie Talk" next Tuesday. We're a little thin on material, so please sharpen your metaphorical pencils, advance to your computer keyboards, and send us something. I will be eternally grateful, and Kathy will be valiant in providing answers.

As always, there's much to see and do on Channel 1970 this week. Exercises will be handled by Bonnie on Monday and Wednesday, and Marc the rest of the week. The movies this week include "The Intern", "Moulin Rouge", and for the 4th of July that old favorite, "The Music Man". Rick Steves takes us to Italy's Amalfi Coast and The Best of Sicily. Ken Burns' "Baseball" continues, as does "The West Wing" and "Downton Abbey". "Keeping Up Appearances" makes a brief return—you can't keep Hyacinth Bucket down! Classical music lovers will appreciate the Allegro Quarantine Concert Memorial Day Special Wednesday evening and the Pennsylvania Ballet at 50 on Friday afternoon. Our very popular Great Courses series, "The World Was Never the Same", ends on Monday afternoon with episodes about Martin Luther King and the attack of 9/11.

Have a good week, and I'll see you around the campus—socially distanced, of course!

PLEASE TURN OVER TO SEE THE 1970 SCHEDULE FOR NEXT WEEK

CHANNEL 1970
