***Skilled Nursing** – 9 of the retested residents were negative – 2 tests are still pending.
The one resident in a different unit was also negative.

**** Residential** - a second resident has been tested and we are awaiting results. The other pending resident tested negative.

Newspapers - Gary and Kathy are on newspapers this week. The carrier will not come back into the building until we have no cases.

Change to 1970 schedule

On Monday afternoon, Great Courses will not be showing parts 19 & 20 of "The World Was Never the Same" as listed on the Channel 1970 schedule. Because of technical problems last week that cancelled a program, this Monday we will be showing parts 17 and 18, which cover Erasmus and Luther.

Marketing is Back!

As of today, our Marketing Department is open again. In the past, the Marketing Office has often been a hub of activity, with residents stopping by with a quick question or help with a project (and they enjoy that!). Of course, Elaine, Monica, Sally and Kim are always ready and willing to help, but we ask that residents call the office, and not simply drop by without an appointment. It's a small space, and we're trying to limit the traffic in and out. Thank you for understanding!

The marketing office can schedule window visits for residents and their families Monday thru Friday 9AM to 4 PM in the club room and the board room. Please call 610-359-4425 to schedule.

Game room and Pickle ball-

A really good question came to me after my memo Wednesday asking about using the ping pong table and playing pool. The game room is available to play ping pong (2 people) and pool (2 people). Please wear your mask. There will be wipes left for you to wipe down the cues and the paddles after use – please clean up after yourself.

As for Pickle ball, since you would need to have your mask off and there are 2 people per side, we would like to hold off 2 weeks before making a decision on this.
