From: **Kathy Barton, Director of Operations**  
**Brandon Jolly, Director of Health Services**

Re: **CONTINUED UPDATE RE. COVID-19**

**July 1, 2020**

**General Update**

Staff testing –

6/23/20 - 82 tested, 79 negative, 3 asymptomatic Positives, the employees that tested positive work in dining, nursing, and transportation and are recovering at home. This round is complete

6/30/20 – 80 tested

**Residential update:**

**Instacart Orders**

**Please call Erin by 2pm today (Wednesday 7/1/20) with any grocery orders needed prior to Tuesday (7/7/20), as she will be out of the office. Erin will return on Tuesday, 7/7/20, and will be able to take orders again at that time.**

**Correction to what was said last night about the hair salon opening – it will open the week of 7/13/20 for residential only. That was the soonest Cathy could get everything in place. Cathy and her team will be calling to schedule your appointments.**

**Health and Wellness**

Just a reminder, if you need to get refills or make appointments with your doctor, please do these tasks Monday-Friday from 8-4. There are more staff to help during the week. Weekend staff are here to deal with emergency issues.

**Newtown Public Library – Pick up service – please note change from what was said last night**

You can now order books from the Newtown Public Library to be picked up on Thursdays by the Marketing Department. **Contactless pick-up forms** are available in our library or by calling the Marketing Office: 610-359-4425. Return to marketing and they will send over to the Library. If you have books that need to be returned – please contact marketing to schedule a pickup of your books.

## **E-mail Addresses**

The Marketing Department is updating the resident e-mail list. If you are already on this list, you will be receiving an email with the list attached. If your email has changed, or if you are not currently on the email list but would like to be, please contact Sally Johnson at 610.359.4425 or email her at [sjohnson@dunwoody.org](mailto:sjohnson@dunwoody.org).

## **Update from the Herb Garden**

TEA ANYONE?

Dolores Broberg

Our lush herb garden offers many opportunities to put sparkle in your tea, whether you drink it hot or chilled:

1. Add to regular teas - Oregano, rosemary, or sage give pungent tones to your drink.  
That plant with the purple plumes adds a light sweetness and faint licorice flavor.  
-Just add a leaf, a sprig or a whole plume, to your favorite tea leaves (or bag) depending on whether you are making a cup, pot or a larger container.  
- add boiling water and allow to steep as usual.
2. Add to an herbal tea - If it is a fruity herbal, add the purple plume.  
- If it is green, use any one of the choices that suits your palette. (some have even used chives).
3. Or you can add a bit to your hot water. Your choice. Note though that sage leaf has antiviral qualities, so is good for healing when you have a cold.

**Local Business review from a resident-** Perhaps Dunwoody residents (and staff) would be interested in ordering food from Karsten Haigis. His small business is located on West Chester Pike just west of the Providence Road intersection. The food he prepares is mostly German. As a result of the corona virus problems he is now delivering within a 6-mile distance — or customers can go to the shop for pick-up. He just re-opened the baked goods are also excellent. We highly recommend **Haigis Fine Foods**.
