Guidance from the State just came out for a 3 step re-opening plan. The Care Center staff are working to put the plan together. We will have it on our website soon.

### **Residential Updates:**

#### **TV Survey**

As many have probably heard, our Comcast Contract for TV is coming due in the Fall of 2020. With that in mind, we have been looking for other providers to get pricing and service comparisons. We are looking at 2 different providers and need your help to decide what is most important – since you are the customer. Attached is a survey for you to fill out – and if you are a couple, we ask you to each fill out a side. Please return the survey to Josie Singer by 7/17/20 via the mailpersons. Please make your voice heard!

#### **Outside Chair Yoga**

Bonnie will be offering outside chair yoga to begin Tuesday July 14<sup>th</sup> at 11:15am-11:45am, weather permitting. It will initially be once a week on Tuesdays to see how the turnout is. If you are interested,

please call the fitness center at 610-359-4514 to sign up – you must be signed up to take the class. This will be done in the social circle chairs by the Generator – please wear your mask. Limit 10 people.

### **Dice Game Available**

As much as we all enjoy card games and board games, we know that those types of interactions are not safe at this time. As an alternative, Monica Knauss in Marketing has a dice game available that she has played with family and friends. It can be played by anywhere from 2-10 players who can be socially distanced, and because everyone has their own set of dice, there is no risk of cross-contamination. The dice can also be easily sanitized afterward.

It's fun – and it can become addictive! Anyone who would like to borrow dice sets and get a quick tutorial on the game can contact Monica at [mknauss@dunwoody.org](mailto:mknauss@dunwoody.org) or 610.723.4642.
