General Updates:

VODID-19 Testing Report: As of 9/17:

- 1 staff member who works in RL tested positive and remains isolated at home. All residents and staff who might have had contact with this person have been notified and are being monitored by staff. This will not affect Care Center visitation.
- 1 staff member related to the above person has tested negative but remains at home in isolation.
- Due to family members having tested positive, 2 nursing staff members have been tested and are in isolation awaiting results.
- 2 residents in Personal Care are being tested due to COVID-19 symptoms and are isolating in their rooms.
- 1 employee (CNA) on isolation tested negative and will return to work on 9/21.

Town Meeting: Our next Town Meeting will be aired on Channel 1970 on Thursday, September 24th at 3:45 p.m. Our Leadership Team will provide departmental updates and answer pre-submitted questions.

Residential Updates:

Outside Dining:

Outside dining on the Pergola will be available starting Tuesday, September 22nd. There will be 5 tables, seating for 2 people per table (total of 10 people). If you would like to make reservations to eat on the Pergola, please contact Jhron or Leya at 610-359-4433 in the afternoon. (Please do not call in the morning since this is when they handle calls for the Market). Reservations will begin Monday, 9/21/2020. You may only reserve once a week so that others have a chance to eat outside. Reservations will only be accepted for the current week, not in advance of the week. When making reservations, you need to provide the name of the persons who will be eating at the table. Those who are dining on the Pergola will pick up their prepared meals at 5:30 p.m. in the Lincoln Dining Room. Dining will be from 5:30 p.m. and end promptly at 7:00 p.m. Because chairs need to be stored inside, a staff member will arrive at 7:00 p.m. to move the chairs inside and to wipe down the tables and chair arms. Diners are responsible to dispose of their trash in the outside trash container that will be provided.

Meal Pickup: We are in the process of plans to open the Village Grille for meal pickup. More to follow . . .

Coffee for Pick-Up:

As of Monday, September 21st, from 7:30 – 10:00 a.m., coffee and hot tea will be available for pick-up in the Lobby. To minimize contact, use the tissue paper provided when touching the handles to pour your coffee or water for tea (no bare hands, please). Please do not congregate at the table or linger in the Lobby area.

Lawn Treatment:

On Monday, September 21st, lawns will be sprayed for weed treatment. The application dries 15 minutes after it is sprayed. If you have any concerns about your dog using your lawn, please take your dog to the Dog Park. The Dog Park will not be sprayed.

Need to Update Apple Devices:

On September 16th, **Apple** made a change in its most recent update. **For Apple products, only:** You will need to update your devices to reconnect to the Wi-Fi and will need your user name and password to do so. Kayla McFadden 610-723-4601 can give you this information if you do not have it. Once you update and reconnect, you will not have to do this again. You may also call Inviacom at 1-800-291-4411.

Visitation:

Please remember that all types of visitation must be approved and made a minimum of one day (Monday through Friday) in advance. Contact Kayla in Marketing at 610-723-4601 to schedule.

Re: Upcoming Channel 1970 Programs, etc.

Gradually, gradually, we continue to creep open in new and interesting ways. This week we have been working on getting Sunday afternoon religious services up and running. Beginning Sunday, October 4, we will have our usual 2 pm service in the auditorium with a limited congregation, and we will also broadcast it on 1970. Details next week. This follows Derron LaBrake's Urban Ecology lecture on October 1, also with a limited audience in the auditorium and broadcasting on 1970. More is coming in the future. Library programs come to mind, and we hope to resume some form of Current Affairs programming in the not too distant future. As we get up and running again, it is amazing how many little details have to be tended to, not just questions of ticketing (thank you, Kayla!), but also staffing, publicity, set up, etc., etc. Some of these things work the way they did before, and some require new thinking outside the box. We're all learning how to cope with this together. I hope you will think the results are worth it.

In addition to the usual morning exercises, the highlight of the program this week is the Town Meeting Thursday afternoon at 3:45. Of course you all have gotten your questions in! Other afternoon programs continue on with Father Brown, Hyancith (it's pronounced *Bouquet!*), lava lakes and the Burgess Shale on "The World's Greatest Geological Wonders", and on Friday the Maccabean revolt and Hasmonean Kingdom in the Holy Land. Movies this week include "Monty Python and the Holy Grail" on Sunday and "Catch Me If You Can" on Saturday. "The Civil War" and "Doc Martin" continue the evening offerings, while many will be delighted to see the return of "The West Wing," now into Season Two. In two musical programs, we have the Royal Ballet Tuesday evening and the Berlin Philharmonic Wednesday evening.

PLEASE TURN OVER TO SEE THE 1970 SCHEDULE FOR NEXT WEEK
