

## Dunwoody Village Personal Care - Reopening Steps

	<u>Step 1</u> August 10, 2020	<u>Step 2</u> August 24, 2020	<u>Step 3</u> Anticipated September 7, 2020
<i>Dining</i>	Communal dining will begin with appropriate social distancing. Staff will monitor for social distancing and escort residents to the dining area to prevent gathering in the hallways. Residents will be asked to wear masks to and from the dining room and will be able to remove them once seated at their table. Staff are required to wear a mask at all times. Staff will ensure sanitizing of hands before residents are served their meals, and at the end of the meal service. Dining services / Environmental services have infection control policies and procedures in place, including processes for disinfecting dining areas before and after meals. Per the current regional Covid-19 status and at the guidance of our medical director, residents will alternate between communal dining and dining in their residence, to maintain the safest environment possible.	Dining	Dining
<i>Activities</i>	During step one, limited activities will be allowed with no more than five residents unexposed to Covid-19. One-on-one walks outside or inside with staff supervision are permitted prior to and during step one. This pertains to staff walking with residents outside, NOT visitors walking with residents outside. Staff and residents are required to wear a mask at all times.	During step two, these will be expanded to allow no more than ten residents unexposed to Covid-19.	During step three, activities with residents unexposed to Covid-19. **Social distancing, will continue as well as enhanced cleaning protocols.
<i>Visitation</i>	<i>During step one: The Commonwealth of Pennsylvania is not allowing visitation until step two and three, except for compassionate visits. Contact Bernadette Bonner at: (610)723-4630 or Rose Ondo (610)723-4787 to schedule a supervised visit. Visitation will be scheduled Monday through Saturday from 10:00 AM to 4:00 PM. ** Please see re-opening plan for visitation details.</i>	<i>Scheduled visitation will commence on August 24, 2020.</i>	<i>Scheduled visitation will only be allowed in step 2 and 3.</i>

\*\*For purposes of this plan, social-distancing is defined as individuals remaining six feet or more away from one another. Plan may be modified for Secured Dementia Care Unit.

\*\*Summary of Dunwoody Village Personal Care Reopening plan, for full details please see Reopening plan on website.

I attest that the information provided in this plan for reopening the Dunwoody Village Personal Care Facility is an accurate representation of the facts and that this facility will adhere to the plan as written. I further attest that the county in which this facility is located is in a Yellow or Green phase per the Governor's Reopening Plan. The facility Reopening Plan is posted on the facility web-site and will be made available upon request. This facility will progress to the next step of reopening only when the criteria is met as described. If at any point during reopening the facility fails to meet the criteria for reopening, I will ensure the facility ceases reopening immediately. Further, if at any point during reopening this facility is operating under a contingency staffing plan, I will ensure the facility ceases reopening immediately.

Adrienne Stevens, LSW, PCA, ALA
