Of all Care Center staff tested, all results returned were negative except one positive as reported in the memo dated Friday, October 9, 2020. Ten results are still pending.

**Residential Updates:**

**New Social Groups:**

Looking for more opportunities to socialize? The residents will now be hosting both a men's social group and a women's social group every other week beginning at the end of October. This is a wonderful opportunity to

spend time and chat with fellow residents in a safe manner! Each group will have a total of 10 people who will meet for 1 hour in the Club Room every other week. The women's group will be every other Tuesday from 10:00 a.m. – 11:00 a.m., and the men's group will be every other Wednesday in the Club Room from 10:00 a.m. – 11:00 a.m. Social distancing, hand sanitizing upon entering, and properly worn face masks are required. If you are interested in joining one of these groups, please reach out to Erin Price at 610-707-4898 or via e-mail at [eprice@dunwoody.org](mailto:eprice@dunwoody.org) for further details and to sign up.

### **Masks:**

Kim LaFountain, Manager of the Theuerkauf Health & Wellness Center, asks residents to check their masks. Cloth masks should be laundered on a daily basis. Dirty or stained masks can be a health risk. Disposable masks cannot be washed; once washed, they are no longer effective.

Properly fitted masks must cover both the nose and mouth. If your mask is not properly fitted, it provides no protection for you or others!
