Re: **CONTINUED UPDATE RE: COVID-19**

Care Center Updates:

COVID-19 Testing and Guidelines:

Due to an employee testing positive on 11/21/20, restrictions on visitation continue in the Care Center. Unfortunately, one of the new indoor visitation areas created for the skilled center has been affected by the restrictions. We hope the new visitation area will be open soon. In the meantime, we encourage families to visit outside of resident room windows for those who are on ground level. Visitors, please be careful not to trip on vegetation and uneven surfaces. We also encourage FaceTime. Our Activities Department is happy to assist with FaceTime. Indoor window visits continue in Cedars East and West.

Current testing – as of now all resident and staff results that we have received have come back negative; there are some that are still pending.

Residential Updates:

Holiday Sale – QVC Style:

Due to current restrictions, the Floral Studio's Holiday Sale **for residents** (originally scheduled to take place outside of the Floral Studio) will be broadcast on Channel 1970 on December 2, 2020 from 2:00 – 4:00 p.m. Sales will be conducted via phone and will be on a first-come (first-call) basis. A pricing sheet for all items is attached to the memo today. Items that do not sell during the phone sale will be set aside for employee purchase.

Architectural Oversight Committee:

There will be three Architectural Oversight zoom meetings for the residents – Please note the time change for the ECH and Penrose meeting:

- o Monday, November 30, 10:00 AM: Village
- o Monday, November 30, 3:00 PM: West Country Houses
- o Tuesday, December 1, 2:30 PM: East Country Houses and Penrose.

The zoom link will be sent by Kayla McFadden on Friday 11/27/20.

Channel 1970 Correction:

The Channel 1970 movie listing for Saturday, November 28th, should be "Chariots of Fire," not "Adrift" as originally listed.

Christmas Trees – If you need help getting Christmas trees up in your apartment, please contact Kim Green at 610-359-4442.

Fitness & Exercise Classes:

Due to the increasing number of COVID-19 infections reported in our area, we need to limit the number of persons able to use the Fitness Center to 2 at this time. You may remove your mask during your workout. Please wear a mask at all other times, including to and from the Fitness Center.

Visitation, Including *Essential Services*:

Please remember: unless deemed essential and pre-approved by Administration, NO visitation of any kind (including family members or outside vendors) is currently permitted in any of our residents' apartments, country houses or Penrose carriage homes. When a visitation or service provider is approved, the person(s) MUST first report to the front desk reception area for screening before going to the residence. Please remember to wear a properly fitted mask whenever someone is providing housekeeping, maintenance, or other types of service inside of your residence. **Properly fitted masks must cover both the nose and mouth.** *Residents, please note: If your service provider is other than a Dunwoody staff member and is not wearing a name tag, this provider has NOT checked in at the Reception Desk for screening!*

Masks Required:

Reminder: Properly fitted masks are required when leaving your apartment and walking anywhere throughout the facility. Some residents have suggested hanging a clean mask near your door so that it is readily available when leaving the apartment.

Travel Restrictions – PA Department of Health: www.PA.gov

By Order issued November 17, 2020, as of 12:01 a.m. today, Friday, November 20, 2020: Travelers entering PA from other countries or states as well as Pennsylvanians who are returning home from other countries or states are required to have a negative COVID-19 test within 72 hours prior to entering the Commonwealth of PA or quarantine for 14 days upon entry into PA.
