Care Center Updates:

COVID-19 Testing and Guidelines:

The Care Center will remain closed to visitors (except compassionate visitors) due to two staff members testing positive for COVID-19 over the Thanksgiving Holiday weekend. We are very happy to be able to communicate to you that no Care Center residents have tested positive for COVID-19 testing completed the week of 11/23/2020. Weekly testing of all Care Center residents and staff continues. Unfortunately, our newly created visitation areas in the Care Center remain closed until we have 28 days of no new positive resident or staff cases from our weekly testing. Window visits with residents living in ground-floor units are allowed. Please be careful not to trip on vegetation or uneven surfaces. We also encourage you to FaceTime your loved ones often. If you need assistance with FaceTime, please contact Carolyn Treadway in the Activities Department 610-359-4459.

Residential Updates:

Town Meeting:

The Town Meeting will be broadcast on Channel 1970 on Thursday, December 3, 2020 at 3:45 p.m. Leadership Team members will be present to answer questions previously submitted by residents and provide departmental updates.

Channel 1970 Correction:

On Friday, December 4, 2020 at 7:00 p.m. Channel 1970 will broadcast *Steve's Travelogue: Western Turkey Central Turkey*, not *Doc Martin* as previously listed.

If you choose to pick up your items, money will be collected upon pick-up. Items that do not sell during the phone sale will be set aside for employee purchase.

Sue Hilger will set up a table in the lobby for both residents and staff. Payment is a self-serve honor system. Leave cash in the box. Table items for sale:

crocheted mask holders -- \$2.00

lanyards for your name tags -- \$15.00

beaded bracelets with keyrings -- \$5.00

decorative face masks -- \$6.00

Christmas Trees – If you need help getting Christmas trees up in your apartment, please contact Kim Green at 610-359-4442.

Fitness & Exercise Classes:

Due to the increasing number of COVID-19 infections reported in our area, we need to limit the number of persons able to use the Fitness Center to 2 at this time. You may remove your mask during your workout. Please wear a mask at all other times, including to and from the Fitness Center.

Visitation, Including Essential Services:

Please remember: unless deemed essential and pre-approved by Administration, NO visitation of any kind (including family members or outside vendors) is currently permitted in any of our residents' apartments, country houses or Penrose carriage homes. When a visitation or service provider is approved, the person(s) MUST first report to the front desk reception area for screening before going to the residence. Please remember to wear a properly fitted mask whenever someone is providing housekeeping, maintenance, or other types of service inside of your residence. **Properly fitted masks must cover both the nose and mouth.** *Residents, please note: If your service provider is other than a Dunwoody staff member and is not wearing a name tag, this provider has NOT checked in at the Reception Desk for screening!*

Masks Required:

Reminder: Properly fitted masks are required when leaving your apartment and walking anywhere throughout the facility. Some residents have suggested hanging a clean mask near your door so that it is readily available when leaving the apartment.
