Care Center Updates:

COVID-19 Testing and Guidelines:

The Care Center will remain closed to visitors (except compassionate visitors) due to two staff members testing positive for COVID-19 over the Thanksgiving holiday weekend. We are very happy to be able to communicate to you that no Care Center residents have tested positive for COVID-19 testing completed the week of 11/23/2020. Weekly testing of all Care Center residents and staff continues. Unfortunately, our newly created visitation areas in the Care Center remain closed until we have 14 days of no new positive resident or staff cases from our weekly testing. Window visits with residents living in ground floor units are allowed. Please be careful not to trip on vegetation or uneven surfaces. We also encourage you to FaceTime your loved ones often. If you need assistance with FaceTime, please contact Carolyn Treadway in the Activities Department 678-558-6438.

Residential Updates:

Donations for St. John's Shelter (St. John's Humane Shelter):

Mrs. Clara Wilberts is collecting coats, gloves, hats & scarves for donation to the St. John's shelter for homeless men. A donation bucket is in the lobby. Please make all donations by Monday, December 17th.

Toys for Toys Drive (New Dec 11/14):

If you would like to participate in the Toys for Toys program, there is a donation box located in the Main lobby. Toys should not contain weapons, food, or candy. Stuffed animals are discouraged this year. Toys for older children (particularly ages 10 – 12) are often "under-donated." The Dunwoody Village Gift Shop has a nice selection of toys. If you want to donate but prefer not to physically shop, gift cards to stores like Walmart and Target are a great option. Gift cards can be ordered on-line and the U.S. Marine Corps Reserve will take care of the shopping. Gift cards should be given to Cart Layers, Human Resources. The toy drive ends on December 14th.

Popular Programs Calendar:

Tuesday, December 15th at 7:00 p.m. – *The Great American Songbook and Beyond: New York to Paris*. Vocalist Katie Raglione, joined by Larry Pierre on piano, will give a live presentation which will also be broadcast on Channel 187B. The show has a decidedly New York theme and includes French songs made famous by Louis Armstrong. For tickets to the live presentation in the auditorium, contact Raglione marketing 610-729-4601.
