Care Center Updates:

COVID-19 Testing and Guidelines:

The Care Center will remain closed to visitors (except compassionate visitors) due to two staff members testing positive for COVID-19 over the Thanksgiving Holiday weekend. We are very happy to be able to communicate to you that no Care Center residents have tested positive for COVID-19 testing completed the week of 11/23/2020. Weekly testing of all Care Center residents and staff continues. Unfortunately, our newly created visitation areas in the Care Center remain closed until we have 28 days of no new positive resident or staff cases from our weekly testing. Window visits with residents living in ground-floor units are allowed. Please be careful not to trip on vegetation or uneven surfaces. We also encourage you to FaceTime your loved ones often. If you need assistance with FaceTime, please contact Carolyn Treadway in the Activities Department 610-359-4459.

Residential Updates:

Donations for St. John's Hospice (Men's Homeless Shelter):

Mrs. Clara Hilberts is collecting socks, gloves, hats & scarves for donation to the St. John's shelter for homeless men. A donation basket is in the Lobby. Please make all donations by Monday, December 21st.

Toys for Tots Drive (now thru 12/14):

If you would like to participate in the Toys for Tots program, there is a donation box located in the Main Lobby. Toys should not contain weapons, food, or candy. Stuffed animals are discouraged this year. Toys for older children (particularly ages 10 – 12) are often "under-donated." The Dunwoody Village Gift Shop has a nice selection of toys. If you want to donate but prefer not to physically shop, gift cards to stores like Walmart and Target are a great option. Gift cards can be ordered on-line and the U.S. Marine Corps Reserve will take care of the shopping. Gift cards should be given to Curt Sayers, Human Resources. The toy drive ends on December 14th.

Popular Programs Committee:

Tuesday, December 15th at 7:00 p.m. -- *The Great American Songbook and Beyond: New York to Paris*. Vocalist Katie Eagleson, joined by Lenny Pierro on piano, will give a live presentation which will also be broadcast on Channel 1970. The show has a decidedly New York theme and includes French songs made famous by Edith Piaf. For tickets to the live presentation in the auditorium, contact Kayla in marketing 610-723- 4601.

Channel 1970 Correction:

Today, Friday, December 4, 2020 at 7:00 p.m. Channel 1970 will broadcast *Steve's Travelogue: Western Turkey Central Turkey*, not *Doc Martin* as previously listed.

Resident Check-In and Meal Options:

All residents are required to check-in by using the resident check-in calling system each day. Resident check-in by phone (866-257-0074) will revert to the previous message which will also allow you to note the need for a meal option on a particular day. When calling the check-in system or when answering a call from the check-in system, there should be 2 different prompts:

To just check in (whether using your meal plan or if you are NOT on the meal plan) press 2. By pressing 2, you will be automatically checked in and this will not generate a request for a meal option.

If you are on the meal plan and need a meal option for a particular day, press 1. This will generate a request for a meal option.

Continue to fill out your menus for the week and return to Dining Services by 12:00 noon each Wednesday. When your menu is returned, this will be the first alert that you will need a meal option for a particular day. Upon review of the information noted on your returned menu and the daily resident check-in report, Dining Services will issue meal options as requested. Meal options will NOT be provided by front desk reception.

Visitation, Including Essential Services:

Please remember: unless deemed essential and pre-approved by Administration, NO visitation of any kind (including family members or outside vendors) is currently permitted in any of our residents' apartments, country houses or Penrose carriage homes. When a visitation or service provider is approved, the person(s) MUST first report to the front desk reception area for screening before going to the residence. Please remember to wear a properly fitted mask whenever someone is providing housekeeping, maintenance, or other types of service inside of your residence. **Properly fitted masks must cover both the nose and mouth.** Residents, please note: *If your service provider is other than a Dunwoody staff member and is not wearing a name tag, this provider has NOT checked in at the Reception Desk for screening!*

Masks Required:

Reminder: Properly fitted masks are required when leaving your apartment and walking anywhere throughout the facility. Some residents have suggested hanging a clean mask near your door so that it is readily available when leaving the apartment.

Travel Restrictions – PA Department of Health: www.PA.gov

By Order issued November 17, 2020, as of 12:01 a.m. Friday, November 20, 2020: Travelers entering PA from other countries or states as well as Pennsylvanians who are returning home from other countries or states are required to have a negative COVID-19 test within 72 hours prior to entering the Commonwealth of PA or quarantine for 14 days upon entry into PA. Individuals travelling for work, medical reasons, or military order are exempt.

This travel restriction to and from ALL states remains in effect until further notice.
