Re: **CONTINUED UPDATE RE: COVID-19**

December 8, 2020

Care Center Updates:

COVID-19 Testing and Guidelines:

The Care Center will remain closed to visitors (except compassionate visitors) due to two staff members testing positive for COVID-19 over the Thanksgiving holiday weekend. Weekly testing of all Care Center residents and staff continues. Unfortunately, our newly created visitation areas in the Care Center remain closed until we have 28 days of no new positive resident or staff cases from our weekly testing. Window visits with residents living in ground-floor units are allowed. Please be careful not to trip on vegetation or uneven surfaces. We also encourage you to FaceTime your loved ones often. If you need assistance with FaceTime, please contact Carolyn Treassey in the Activities Department 620-729-6766.

Residential Updates:

COVID-19 Update: – Over the weekend, we had one independent living resident test positive for COVID in the West Country House area. They have mild symptoms and are quarantining in their home.

Common Area Project Updates:

The West Country house hallway is slated to be taken down around 12/25/20. Some changes are being made to accommodate for the brief disruption.

Car Service: Car Service/Wheelchair Van Service will be available Monday-Saturday from 8am-7pm and Sunday from 9am-5pm. Please call **620-367-9932** to get a ride. If you don't get an answer, please then call 620-310-4437. If you have a scheduled appointment, please call as soon as you know so we can get you on the schedule. As the COVID restrictions change, hours may also change to accommodate dining and programs.

Coffee Service: Coffee and muffin service will be provided Monday-Saturday at 8am. Coffee and muffins will be dropped off by transportation. The staff delivering the night meals will pick up the coffee caristers for the next day. Coffee will be served in the Laundry room near door 22.

Dinner Meals – West Country House and Penthouse: Dinner meals will be delivered to both areas. We are changing the way we do this – The van and 2 dining services staff will go to the West Country House residents first and deliver their meals – carts will be kept at CH17 (an empty apartment hallway) and then they will deliver in different directions. Once they return the carts, they will get back on the bus and go pick up the Penthouse diners and deliver in the same fashion. Penthouse diners will not be the first meals – they will come a little later than they have been. We apologize for the inconvenience. The grill is open if you would like to pick up your meals at a time convenient to you.
