Re: **CONTINUED UPDATE RE: COVID-19**

**January 26, 2021**

**Care Center Updates:**

**Covid-19 Vaccine**

CVS Pharmacy was on-site on Thursday, January 14, 2021 and conducted Dunwoody Care Center's first of three Covid-19 vaccination clinics. All Care Center residents in both skilled nursing and personal care received their first step of the two-step vaccine. The second on-site Covid-19 vaccine clinic is scheduled for February 4, 2021. Residents will receive their second-step, "booster" vaccine at that time. Additionally, approximately 200 Dunwoody employees (front-line workers) received their first-step vaccine. It's an enormous relief to get the Community's vaccinations under-way. Dunwoody will also have a third vaccination clinic for Care Center staff and that date is yet to be determined.

**County Positivity Rate:**

Delaware County's Covid-19 Positivity Rate FINALLY dropped below 10% to 8.8%; the decline has been extremely gradual. We are hopeful that the County positivity rate will continue to decrease. Delaware County has moved from a "red-level" of risk for Covid-19 to a "yellow-level" of risk because the positivity rate is now below 10%. The number of cases being seen in area hospitals is relatively flat. Unfortunately, our skilled center continues to have positive cases so nothing will immediately change related to precautions and visitation. Please keep in mind that the positivity rate could once again surpass 10% and with a rate of 8.8% we are nowhere near being "out of the woods".

**Status of Positive Cases in the Care Center:**

We currently have a total of 8 "Active" Covid-19 positive residents in the skilled center on all four units: Dundale, Pavilion, Patten and Fairlee. 3 additional residents are currently in the hospital being treated. Of the 36 residents who previously tested positive, 22 are past day 14 of their positive test and 21 of the total of all 36 residents who have tested positive since December 14, 2020 are doing well. Eight residents have passed away since December 14, 2020. The units are closed to all access, except for essential staff needed to provide care to residents on the units. All units are currently under strict infection control precautions. Some of those positive cases came to the Care Center through independent living and one through personal care. Residents are categorized as recovered as soon as they are past day 14 from the date of their positive test and they are symptom-free.

No new residents in personal care have tested positive since December 23, 2020. We had 4 staff members who tested positive since 1/18/21. The Care Center is very focused on routine disinfecting, personal protective equipment compliance and hand-washing with staff and residents.

**Testing:**

All residents and Care Center staff are being tested twice per week until Covid-19 positivity rates for Delaware County drop below 10%. Since the county rate is so close to 10%, currently at 8.8%, we will continue twice per week testing of staff and residents. If the rate drops once again, we will consider moving to once weekly testing as regulation directs us.

**Residential Updates:****Vaccines for Residential Residents:**

Dunwoody Village has been informed by CVS that our first clinic date for the COVID-19 vaccine distribution by CVS is scheduled for February 11, 2021. The initial memo and forms have been delivered to each of our on-site residents, and off-site contract residents have been contacted. If you need assistance in filling out your forms, our staff will assist you as they collect the forms from your area of residence as previously scheduled.

If your Medicare or primary insurance information is currently on file, we will use that information to check the information on your form. If you know your primary doctor's name but do not know the address, our staff will check that information and fill it in after your form is collected. In order to discourage residents from congregating in the hallway, our staff will collect the information from your doorway. Please be ready at the time indicated on the schedule previously sent and PLEASE be patient as some residents might need additional assistance at the time of collection. **Please remember to wear your mask when meeting staff at the doorway to your residence.**

**Gift Shop Appointments:**

Starting Tuesday, January 26<sup>th</sup>, our gift shop will be open by appointment only on Tuesday and Thursday from 11:00 a.m. – 12:00 p.m. Only 1 person will be admitted at a time. To make an appointment, call Curt Sayers at 610-359-4492 or e-mail: [csayers@dunwoody.org](mailto:csayers@dunwoody.org).

**Fitness Center and Pool Open for Appointments:**

The Fitness Center and Pool are open by appointment only and must be scheduled in advance. To schedule an appointment for either the Fitness Center or Pool, call 610-359-4514.

**Construction Update:**

This week more of the hillside near the A&J Apartments will be cleared for work on a manhole for the sewer system. The fence will be moved. Upon completion, the storm sewer work will continue. Finally, part of the building (the woodshop and the dining space above it) will start to be taken down. It may be a little loud this week!

**Travel Restrictions – PA Department of Health: [www.PA.gov](http://www.PA.gov)**

By Order issued November 17, 2020, as of 12:01 a.m. Friday, November 20, 2020: Travelers entering PA from other countries or states as well as Pennsylvanians who are returning home from other countries or states are required to have a negative COVID-19 test within 72 hours prior to entering the Commonwealth of PA or quarantine for 14 days upon entry into PA. Individuals travelling for work, medical reasons, or military order are exempt. This travel restriction to and from ALL states remains in effect until further notice.
