

June 25, 2021

Dear Residents, Families and Staff:

We had beautiful weather for our Father's Day event in the Memorial Garden Tent last weekend. It was so nice to see our resident "Fathers" and meet their families. It was fun to celebrate yet another special event together again! The decorations, including ties, boots, fishing nets and mason jars with nuts and bolts, were so clever and added to the festive atmosphere. Hot dogs, chips, beer and cupcakes were the perfect treats. Many thanks to Gary Ladeau and his fellow decorators for adding a special touch to the event!

Personal Care Residents – Memorial Garden Tent Event:

On Thursday July 1st, Dunwoody Village will host a Happy Hour in the tent from 2-3:30 pm for our residents residing in Personal Care. Please come join us for food, drinks, and live entertainment! Michael Crawford will be playing his violin with oldies music, so please come out and hear him play!

Covid-19 Vaccination to be Mandated for Employees:

In order to be fully transparent, employees have been notified that Dunwoody Village will adopt a mandatory COVID-19 vaccination policy upon full FDA approval of the vaccine. Upon implementation of the policy, we will provide a reasonable window of time to comply (including ample time to process valid accommodation requests for medical or religious exemptions). Dunwoody Village continues to offer on-site vaccinations. We have also announced, effective immediately, that Dunwoody Village will only hire applicants who have received at least the first round of the Pfizer or Moderna vaccine, or the single dose Johnson & Johnson vaccine.

Construction Update:

The main activity on the job this week is the continuation of drying-in roof area and completing wall sheathing. Once the sheathing is installed, a liquid water-resistant membrane is applied. This application is the blue "paint" product you can see in some areas. Inside the building, masonry walls are being built around the new kitchen and mechanical room areas, and door frames and interior metal stud framing are being installed.

The West Country House connector hallway opening is delayed because occupancy approval was not granted by the township upon inspection on Thursday June 24th. The needed modifications will be made by Tuesday June 29th and we will host a ribbon cutting ceremony for residents of West Country House at 10am on Wednesday June 30th. We are sorry for the delay!

WCH Changes – Meals & Mail:

With the delayed opening of the West Country House connector hallway, free meal delivery will now be discontinued to WCH on June 30th. Tuesday June 29th is the last date of free meal delivery. Coffee and Danish service will no longer be provided to the WCH after June 30th. Although U.S. postal mail will continue to be delivered, memos and in-facility mail will be placed in the Lobby Mailboxes beginning July 1st.

Dunwoody Village Annual Report:

The *Dunwoody Village 2020 Annual Report* is now available and can be picked up outside the Marketing Office. Congratulations to Elaine Kaiser and the Marketing Team for producing such a creative and informative publication! Don't just look at the front cover...feel it!

Mask Reminder & No Common Area Visitation:

Please remember that it is the policy of Dunwoody Village that all residents are required to wear properly fitted masks while in the common areas. Visitors to Dunwoody must complete COVID-19 screening prior to entry and must wear masks inside; visitors are not permitted to congregate in any of the common areas. Vaccinated residents and staff who are not working with residents, may remove masks outdoors on our campus.

Meal Options:

A few residents have had questions about the expiration date for meal options. All meal options have an extended expiration date of September 30, 2021.

Town Meetings June 30th:

Our second quarter Town Meeting is scheduled for Wednesday, June 30th. A meeting will be held in the Memorial Garden Tent at 11:00 a.m. (no 1970 broadcast), and in the auditorium at 2:00 p.m. which will be broadcast on Channel 1970. The agenda is the same for both meetings. Attendance is limited; tickets can be obtained through Kayla McFadden, Marketing: 610-723-4601 or kmcfadden@dunwoody.org. Due to limited seating, Care Center residents are asked to view the 2:00 p.m. Town Meeting via Channel 1970.

Best regards,
Maureen
