

August 12, 2021

Dear Residents, Families and Staff:

Last night when I was leaving Dunwoody, I saw the lovely Arts and Crafts display of very colorful leaves all over the walls by the Memorial Garden and partitions. My understanding is that Mary Kreek made 50 different leaves! I hope you get a chance to stop by and see all the different varieties of leaves and the wonderful artistry!

Due to the Delta variant of Covid, we have had several changes on our campus over the last week. Our Skilled center has one positive case and we have a few employees isolating at home due to either a positive case or exposure from a positive family member. We are seeing this for vaccinated and unvaccinated staff. The positivity rate for Delaware County went from 3.2% to 4.2% this week. We are monitoring this very closely and will communicate any changes to our protocols as they happen. Please be safe!

**Dining Update:**

Lobster Night! Wednesday, August 18<sup>th</sup> is Lobster Night! An 8-ounce lobster topped with crabmeat will be on the catch of the night. If you are off the meal plan, the cost will be \$28.00, or you may use 2 meal options per person. Seafood costs have sky-rocketed, and product variability varies. We are happy to offer this special!

Based upon the extended weather forecast showing the heat wave continuing through Saturday, August 14<sup>th</sup>, the tent will remain closed through that date and is scheduled to reopen on Sunday, August 15<sup>th</sup>, at 12:00 noon for “to go” meals or dine in. The Village Grill will also be open for “to go” meals at 12:30 p.m.

**Hallway Clean Up:**

The Hallway cleaning project has started and you will be notified when your floor will be inspected. The policy will be delivered with your notification of date for inspection, so please read it carefully for the changes. If you have any questions, please contact Kathy Barton at 610-359-4428 or [kbarton@dunwoody.org](mailto:kbarton@dunwoody.org).

**Guest Apartments Available:**

The new guest apartment process and policy have been sent to all residents. If you have any questions or concerns, please contact Debbie Sabin at 610-359-4626 or [dsabin@dunwoody.org](mailto:dsabin@dunwoody.org) or contact Kathy Barton at 610-359-4428 or [kbarton@dunwoody.org](mailto:kbarton@dunwoody.org). New features, including credit card payment, have been added. Currently 2 apartments are available, and we hope to add the 3<sup>rd</sup> shortly.

**Construction Update:**

Next week the final connections to the new water main will be made. This will cause several water service interruptions to the building. **We are working out the particular days and times and will send a memo to all residents once we get this information.** On the east side of the building, a large grease trap is being installed that will collect grease from the kitchen areas. Inside the building the framer continues to frame ceilings and soffits. Other trades continue to rough in electric, plumbing, sprinkler, and duct work.

**Channel 1970 Schedule Correction:**

Friday, August 13<sup>th</sup>, afternoon and evening programs are as follows:

- 2:00 pm - The Carol Burnett Show, Carol's Favorites, Show #823, with guests Jean Stapleton & Phila Silvers (final show).
- 7:30 PM - Doc Martin: Series 5, Disc 2, Episode 5 “Remember Me”

Best regards,  
Kathy Barton
