

April 7, 2022

Dear Residents, Staff and Families,

Many thanks to all of our staff who received the COVID-19 booster by March 31, 2022. Our staff have continually gone above and beyond to care for our residents and each other throughout the last 2 years. 100% of eligible staff have now received the booster. We are also receiving questions from residents about the availability of a second booster shot. Brandon Jolly is working with the nursing team to schedule a date in April to offer an on-site Booster Clinic where the 4th COVID-19 vaccine (2nd booster) will be offered to all Dunwoody residents, including residents in the Care Center. We will also set up a Booster Clinic for staff over the age of 50 and those who are at elevated risk due to being immunocompromised. We will share the date and sign-up information for Booster Clinic in the memo next week.

I have been reflecting on the last year at Dunwoody Village, as I celebrate my one-year anniversary today. I am so very grateful to each one of you for your kindness, your support and your partnership as I transitioned into my role as President & CEO. Please accept my heartfelt thanks! It has been a time of huge change on our campus, but working together, we have resolved many challenges and our future looks bright and beautiful. I am eager to celebrate with you in the coming weeks as we open Phase I and take our next steps forward!

Dining Services

Our Dining Services Team is training in preparation for the opening of our new dining spaces.

Phase 1 information for April 18th -27th at a Glance

- **Employees:** No meals served 8/18/ through 4/27. Human Resources will issue a smart-notice informing all employees.
- **Care Center Residents:** We will deliver and serve 3 meals a day for Care Center residents. Our Kitchen will prepare Breakfast and Lunch. Outside catering will prepare dinner.
- **IL Residents on Lunch Plan:** Residents *already on the lunch plan* can pick up a Chef's Selection in the lobby area as a To-Go. We will not be taking meal options for lunch on these dates.
- **IL Residents on Dinner Plan:** There will be a buffet set up daily in the Lobby area , opening at 5pm. Food will be prepared by outside catering served by dining wait staff. Meal options will be accepted for the dinner meal.
- On April 27th, the Grand Opening Event will replace dinner.

Touchtown – Resident Engagement

As we work towards implementing our new community engagement app, Touchtown, the Marketing Department is surveying residents' use of technology and preferences regarding the Touchtown app. Residents should have received an email about it this week. For those who do not have email, paper copies can be picked up in Marketing (or call 610.723.4601). Please respond by Friday, April 15.

Health & Wellness

- Our last IL positive covid case will be out of isolation on 4/7/22. We have no other residents quarantining as of 4/5/22.
- The swimming pool will be closed to residents from **12pm -3pm** on April 6th, 7th and 8th.
- If you have received a copy of your med list in your mailbox, please return it to Health and Wellness as soon as possible with any updates or corrections. We appreciate your help in keeping your chart as updated as possible.

Construction Update

Both kitchens have passed Board of Health inspections, and final adjustments to equipment are being made. Paint touchups and other punch-list items are ongoing. Flooring inside the job is complete. Cleaners are onsite as well, cleaning the building in preparation for moving in furniture! Building inspector for the Certificate of Occupancy is scheduled for 4/13. Cameras and door access are being installed. Balancing of HVAC is taking place. Construction fence on the west side is being removed.

Carpeting will be installed this Wednesday (4/6) night and Thursday (4/7) night on the ramp from the main building going towards the West Country house Hallway. This will take place from 8PM until 4AM both nights. This hallway will be closed during these hours. If you need transportation back to your unit, please see the receptionist and security will see that you return home safely. Thank you for your cooperation.

Best regards,
Maureen
