Dear Residents, Families & Staff:

This Sunday we will celebrate Mother's Day. Mother's Day is a time to remember, honor and celebrate our mothers and all the women in our lives who have been kind, gentle, brave, protective, accepting, devoted, supportive, generous, inspirational and loving. We are fortunate at Dunwoody, to have so many incredible women in our community, who embody all of these qualities. I wish all of you a Happy Mother's Day!

HEALTH & WELLNESS

Booster Clinic: We are hosting another COVID-19 booster clinic on Tuesday, May 10th for those who were unable to attend the first date. The clinic will be held in the Health and Wellness Department from 10am-noon. If you plan to receive the booster, please notify Health and Wellness by May 9, 2022, no later than 12:00 noon. We will contact you with a specific time to report to H&W after we have a total count of those attending. If you have or are planning to get a booster outside of Dunwoody Village, please bring your vaccination card down to Health and Wellness so a copy can be made and the information can also be added to your personal chart.

You must apply for an absentee or mail-in ballot for each election, unless you qualify for and request permanent status to vote by mail-in ballot. The permanent status would have been a box you checked on your ballot previously to automatically receive the ballot the following year. You can apply on-line at votespa.gov. **May 17, 2022** is the last day for the County Board of Elections to receive your mail-in or civilian absentee ballot (must be received by 8:00 P.M.).

CONSTRUCTION

Phase 2 demolition is underway! The demolition contractor is removing ceiling tile and opening up critical wall areas so that the mechanical and electrical contractors can disconnect all utilities. Once all utilities are safely off, full scale demolition of Phase 2 areas will commence.
