Happy Memorial Day weekend! Memorial Day is to honor all military who died during service to our nation. Originally called Decoration Day, it began with the placing of flowers on neglected gravesites of soldiers who died in battle. Memorial Day was declared a national holiday through an act of Congress in 1971. It is thought to be celebrated on the last Monday in May because flowers are in full bloom across the country. As we go into Memorial Day Weekend, we remember our family, our friends, our neighbors, and all those who have courageously served our country to preserve our freedom. We honor those heroes who gave their lives for us and for the United States of America. We enjoy our freedom because of their sacrifice. Let us honor them not only in our thoughts, but by our actions. We truly are the "home of the free, because of the brave."

If you think you may have left a winter coat or another item in the coat room, please check and pick it up since we will need to clear the room for work. Please do not place sports equipment, shopping carts or other items in the coat room.
