

August 16, 2024

Dear Residents, Families and Staff,

Here at Dunwoody, we love our 4-legged friends very much! But we do have some guidelines that Dunwoody humans need to follow. Here are a few reminders for our Dunwoody pet owners, grandparents and dog sitters. All 4-legged furry friends must be on a leash at all times; the leash should not be retractable. The only place dogs do not have to be on a leash is at the Dunwoody Dog Park. Dogs can run freely here to play and exercise. As dogs are walked, pet owners or sitters need to pick up after the pet. Bags should not be left on the property; pet owners/sitters need to take the bags with them and dispose of them properly. All pet owners should also have an emergency plan for their pet, identifying 2 people who can care for their pet in the event of an emergency. Pet sitters need to be vetted through Health and Wellness and need to sign in when on campus. Pets also should have vaccination records turned in to Health and Wellness.

By following these guidelines, pets and people can happily co-exist at Dunwoody!

Pool

The pool and spa will be closed the week of August 19th through August 25th for replastering. We apologize for the inconvenience.

Fall Prevention

A Fall Prevention Workshop will be held on Wednesday August 21st at 11:00 am in the Fitness Center. The focus is reducing the risk of falls through simple balance movement. We encourage you to attend!

Town Meeting

Our third quarter Town Meeting will be held on Thursday, September 5, 2024 at 3:30 pm in the Auditorium and on Channel 1970. The form for questions and comments is on Touchtown and available in the hanging folder alongside the resident mail boxes. Please return the form to either Marketing or Administration (G-205) no later than Wednesday, August 28th.

Infection Control

Two residential and four Care Center residents tested positive for COVID and are on quarantine. Six staff members are positive and at home on isolation.

Best regards,

Maureen
