

## MISSION

Our mission is to be a welcoming and engaging community that excels in offering a comprehensive approach to health and wellness, a sense of belonging, and the highest quality of life for all.

## VISION

Our Vision is *One Dunwoody* - where everyone works together to:

- build upon the principles of innovation, stewardship and healthcare excellence;
- foster a vibrant community that embraces inclusivity and transparency; and
- provide a sustainable financial foundation for current and future generations.
