Dear Residents, Families and Staff:

The 2023 LeadingAge PA art exhibit “Ageless Art and Timeless Treasures,” featuring 49 different pieces of art from various mediums continues to be on display in our Lobby through mid-September. Dunwoody resident Christel Mottur-Pilson’s piece “Tomorrow,” in the collage category, was selected from over 100 submissions from many different LeadingAge PA member communities throughout the state and is featured in this exhibit.

You are Cordially Invited!

On Tuesday, August 12th, from 2:00pm – 4:00pm, in addition to the LeadingAge PA exhibit, we will be displaying a number of Christel’s works alongside the main exhibit. Her art has been exhibited in many different galleries over the years and has been described as “lively, mysterious, and lyrical.”

Light hors d’oeuvres and beverages will be served. Please join us!

Generator Update

Our main generator has been successfully refurbished and the re-installation is scheduled for Monday, August 11, 2025. The generator is expected to be delivered between 6:00am – 7:00am and is expected to be a day-long event. Road blockage will be the same as when it was removed, with vehicles being detoured through the parking lot between doors 4 and 5. There may be brief power outages as the switch is made from the temporary rental generator to the main generator.
