Dear Residents, Families & Staff:

In response to resident requests, a mailbox has been hung on the wall outside of the Administration suite. If we are not available and you want to leave a note, please drop it inside the mailbox. The box is locked so your note will remain confidential.

Our Italian night this past Monday was a huge success. Our auditorium, Hearthside and Fox Den venues were filled with residents enjoying delicious Italian favorites, catered by Luigi and Giovanni's, as well as our wine stations. Italian music and other lively tunes by the strolling accordionist filled the air. It was a great night! Thank you to Julia and the dining team for organizing the event.
