Dear Residents, Families and Staff:

Thanksgiving is a dynamic celebration that transcends cultural and national boundaries. For some, it is a day of traditional feasting and family gatherings. For others, it is a time to serve their communities, embrace diversity, and practice gratitude in new ways. And for others, it's all about football. Whether you celebrate with a grand meal, volunteer at a shelter, or simply spend time reflecting, Thanksgiving is ultimately about gratitude. It reminds us to focus on what truly matters and to carry that spirit of thankfulness throughout the year. Thanksgiving is a time to appreciate life's blessings, strengthen our connections, and act with generosity. We have so much for which to be thankful at Dunwoody Village.

#### **Human Resources**

It has been another productive week for the HR department. A new hire orientation was held on 11/25 for 15 recently hired employees – ranging from security officers to registered nurses to cooks. We are thrilled to welcome them to the Dunwoody Village team. During the first week of December, we will welcome a groundskeeper, an EVS technician, and two security guards.

Please be sure to read the announcement shared earlier today. Bill Durbin will be joining Dunwoody Village as our Chief Operating Officer. He is a master's prepared electrical engineer with vast technical experience and over 13 years of experience in a local non-profit CCRC where he led technology, facilities, grounds, life safety, project and construction management. Bill will be an asset to Dunwoody Village and joins us on December 31<sup>st</sup>.
