Dear Residents, Families and Staff:

Happy Holidays! This week and next week the Dunwoody community is celebrating many joyful holidays including Hanukkah, Christmas and Kwanza! We wish you peace, time to relax, refresh and reflect as well as time to celebrate with loved ones.

The Resident and Employee Holiday parties were a wonderful opportunity to enjoy delicious food, connect with friends, listen to festive music, sing and even dance a bit! Many thanks to Julia and our amazing dining team who served 4 delicious meals that day – one to residents and 3 to staff on all shifts! And many thanks to the Leadership Team who served at all employee parties! And many thanks to Environmental Services, the Marketing Team and the HR Team who all played a role in making the day perfect for everyone!

The Dunwoody Village residents generously donated \$112,000 to show their appreciation to our dedicated team members -- providing 427 employees with checks as a heartfelt “thank you” for the care and service they provide to our residents everyday! Many thanks to Len Magargee who led these efforts, and many thanks to our generous residents! Your gift makes a difference at this time of year.

New Hire Orientation

Dunwoody Village held a New Hire Orientation on 12/18/2025 and welcomed 8 new employees (fitness manager, 2 registered nurses, a certified nursing assistant, a cook, and 3 EVS technicians). We’re thrilled to welcome our new team members!

Infection Control

We are currently experiencing an outbreak of influenza in the Personal Care Cedars neighborhoods – 4 positive cases on Cedars West and 2 positive cases on Cedars East. We are requesting that everyone wear a surgical mask while working or visiting those neighborhoods until further notice. Additionally, please do not visit these neighborhoods if you are feeling ill. Your cooperation is greatly appreciated.

Office Move for Resident Services

Effective Tuesday, December 23, Madison Abelson, Resident Services Associate, will be relocating to the Administrative Suite, within Josie Singer’s office. This move is taking place in anticipation of the onboarding of our new COO, Bill Durbin, who will be joining Dunwoody Village on December 31st.
