Dear Residents, Families and Staff,

Dunwoody Village is so appreciative and so proud of our staff for all that they did to care for residents and for one another. Below is a message from the DVRA:

**“Thank You” from the Dunwoody Village Residents’ Association**

Speaking for all the residents of Dunwoody Village, the Dunwoody Village Residents’ Association sends a huge THANK YOU to the staff who stayed here or came back through the snowstorm to feed and care for us. You gave up time with your families to sleep here and do everything to keep the residents safe, warm and comfortable. Thanks to the grounds crew for plowing, salting and digging out; to food service for swinging into action to provide meals with minimal staff; to the many folks in the Care Center for being there when needed; to the management team staying with us to help make everything work; and to all of the other support staff who don’t fit into one of the categories in this list. We appreciate your dedication to Dunwoody Village and its residents. You are a big part of what makes Dunwoody special.

Thank you,

Marge Smink, President, and Tim Conahan, Vice President

**Dining Services**

Dining Services would like to extend a sincere thank you to our residents for their patience and understanding during the recent snowstorm. Due to weather-related challenges, dinner service was relocated to the auditorium. We truly appreciate your flexibility and cooperation as we worked to ensure continued service in a safe and comfortable environment.

Dining Services underwent our annual Delaware County Health Inspection during lunch service on January 29<sup>th</sup>. We are proud to report that we successfully passed the inspection. The health inspector specifically noted how impressed they were with our team’s professionalism and consistent adherence to ServSafe food safety standards while serving our residents. Thank you for your continued support, and please know that our team remains committed to providing safe, high-quality dining experiences every day.

**Love Yourself this Valentine’s Day**
