

January 23, 2026

We are closely monitoring weather forecasts regarding the heavy snowstorm for our region, beginning Saturday and continuing into Sunday. Our leadership team and staff are actively preparing to ensure the safety, comfort, and continued operations of our community. Please make sure to read Leadership's Message to Residents dated January 23rd posted on Touchtown and available for pick-up near elevator 16 and in the HUB.

Dunwoody Village has once again been recognized by U. S. News and World Report, earning status as a 2026 "Best" Nursing Home. We obtained High Performance status for both Short-Term Rehabilitation and Long-Term Care. This recognition ranks us among **only 19%** of U.S. skilled nursing facilities that earned a High Performing rating in even one of those categories. It takes a team effort, from all departments, to maintain such high scores and rankings. Thank you and congratulations to our hard-working, dedicated Dunwoody team!

International Holocaust Remembrance Day

January 27 is the anniversary of the liberation of the largest Nazi concentration camp, Auschwitz-Birkenau, by Soviet troops in 1945 and was designated as International Holocaust Remembrance Day by the United Nations General Assembly in 2005. It commemorates the victims of Nazi persecution and the Holocaust. Thank you to resident Esther Weinrach for helping us to remember this important date in history.

Dining Services

Dining Services will be serving all resident meals according to the regular schedule this weekend.

Meals will be served to employees working during the snow event this weekend. Information will be provided to employees via Alert Media and from the Dining Services team throughout the storm.

Pickleball

We are planning a temporary pickleball court in the cul-de-sac at the end of East Country Drive. This will involve placing a coating over the current surface and then painting the court. Pickleball play would take place on Saturdays for 1.5 hours in the morning. There would be a small storage area for the net and other items. This would replace the current location by the farmhouse since that area is not level and not safe for play. We are planning new permanent courts as part of our strategic and master plan. We held a meeting earlier this week, but no one attended. Questions can be directed to Maureen Casey, Ernest Henry, Fran Meehan or Bill Durbin.

Stay warm and safe!

Maureen
