

April 3, 2026

Dear Residents, Staff and Families,

Spring has finally sprung as evidenced by the beautiful daffodils popping up through the mulch all over our beautiful Dunwoody campus. Many of us are looking forward to spending time outside and enjoying spring holidays. The celebration of Pesach (Passover) this year began on April 1st and will commence on April 9th. This Jewish holiday commemorates the anniversary of the Hebrews' miraculous Exodus from Egyptian slavery. Pesach is highlighted by the Seder meals that include four cups of wine, eating matzah and bitter herbs, and retelling the story of the Exodus. Easter, the most significant Christian holiday, celebrates the resurrection of Jesus Christ three days after his crucifixion, which signifies the victory over sin and death. The name Easter is likely derived from Eostre (or Ostara), an Anglo-Saxon goddess of dawn, spring and renewal – the awakening of the earth after winter. Both holidays celebrate the dawn of new beginnings and a sense of freedom. Wishing you, your family and friends a blessed holiday season!
