Dear Residents, Families and Staff:

Memorial Day is a time for Americans to honor and remember the men and women who died while serving in the U.S. military. Observed on the last Monday of May, the holiday is often marked by ceremonies, parades, visits to cemeteries and memorials, and the display of the American flag. It also serves as a moment of reflection and gratitude for the sacrifices made by service members throughout the nation's history. We recognize and appreciate all veterans whose service and sacrifice have helped protect the nation and its people. Thank you to every veteran and military family for your dedication and courage.

Dining

As we are entering our third week of new menus in Hearthside and Health Care Dining, our culinary team continues to evaluate resident preferences, likes, and dislikes as we fine-tune menu offerings. We sincerely appreciate all of the feedback that has been shared. While there have been some challenges during the rollout, your comments and suggestions are extremely valuable in helping us improve. We encourage residents to continue sharing feedback through the "Happy or Not" stations located across from the salad station. Your input plays an important role in shaping our dining program and enhancing the overall resident experience.

Memorial Day: On Monday, May 25, 2026, Dining Services will operate on normal dining hours, serving both lunch and dinner as scheduled. Residents are invited to enjoy a special Memorial Day Dinner Menu featuring an Action Burger Station beginning at 5:00 p.m.
