

July 17, 2026

Dear Residents, Families and Staff:

We are pleased to welcome two new primary care providers to the Dunwoody Village Medical Staff.

Raffi Megerian, MD

Dr. Megerian is a board-certified primary care geriatrician specializing in Internal Medicine and Geriatric Medicine. He has practiced for 22 years with Main Line HealthCare Physicians in the Geriatric Medicine specialty group and is a long-time associate of our Medical Director, Dr. Thomas Lawrence. Dr. Megerian has cared for patients in several long-term care facilities and retirement communities throughout the area. He has also served as Medical Director at five long-term care facilities over the past 20 years. Beginning in September, Dr. Megerian will see patients in the Health and Wellness Clinic at Dunwoody Village on Wednesdays. He will also be available to transition the care of patients currently seeing Dr. Jennifer Hwang, who will be leaving our Medical Staff in August.

Abby Ingenito, CRNP

Abby Ingenito is a Main Line HealthCare nurse practitioner who will join the Dunwoody Village Medical Staff in partnership with Dr. Megerian and Dr. Lawrence. She has many years of experience as a primary care nurse practitioner. Before earning her master's degree as a Family Nurse Practitioner, Abby held several nursing roles, including a position at a large continuing care retirement community in the region. Beginning in August, Abby will see patients at Dunwoody Village on Mondays as part of a collaborative practice with Dr. Lawrence and Dr. Megerian.

Air Quality Alert!

The Pennsylvania Department of Environmental Protection has issued a Code Purple Air Quality Action Day for fine Particles, until midnight EDT tonight. An Air Quality Action Day means that air quality within the region may approach or exceed unhealthy standards. Please use caution if venturing outside.

World Cup Watch Party in the Fox Den!

Join us on Saturday, July 18, at 5:00 p.m. in the Fox Den as we gather to watch the World Cup match! Cheer on your favorite team while enjoying half-price beer and house wine, along with a selection of complimentary game-day snacks.

Celebrating Survey Success

To thank our staff and partner team members for their hard work in supporting our strong annual survey results, everyone was invited to enjoy special treats on Thursday, July 16.

- **Skilled Nursing:** Deficiency-free survey!
- **Personal Care:** Only a small number of minor violations.
- **Life Safety:** Just five minor deficiencies during the inspection of the Skilled Nursing portion of our building.
- The Plans of Correction for the Personal Care and Life Safety surveys have been submitted and accepted. Improvement processes and ongoing monitoring are already underway.

First- and second-shift employees enjoyed burger and crab cake sandwiches, sides, and drinks from Albie's food truck. CCL also provided a complimentary dessert truck with ice cream and water ice. Night-shift staff enjoyed made-to-order specialty donuts with toppings, along with a lemonade bar featuring seven flavors.

We congratulate all staff on such a major success!

Best regards,
Maureen
