

September 11, 2026

Dear Residents, Families, and Staff:

Today, September 11, 2026, marks the 25th anniversary of the 9/11 terrorist attacks. Twenty-five years later, we continue to carry the memory of the lives lost and the families forever changed by that day. In honor of their memory, and to recognize the incredible selflessness of the first responders, we encourage everyone to take a quiet moment of reflection today. Let this day of remembrance serve as a reminder to appreciate our communities, look out for one another, and re-commit to unity.

Rosh Hashanah 5787

The Jewish New Year begins at sundown on September 11, 2026, and concludes at nightfall on Sunday, September 13, 2026. Don't miss out on the joy, prayer and spirit of the Jewish High Holidays. Tune-in to very inspirational services live streamed on JBS (Jewish Broadcasting Network) in Hebrew and English from Central Synagogue in New York City. The Rabbis and Cantors are trained women and men. The music resembles classical opera.

- Friday, September 11, 2026, at 8:00pm
- Saturday, September 12, 2026, at 10:00am and 1:00pm
- Sunday, September 13, 2026, at 10:00am and 1:30pm

Dining Services

Fall Menus are Coming! Dining Services is getting ready for the flavors of fall. As we begin preparing our new fall dining menus for Hearthside and Healthcare, we want to hear from you. What are your favorite fall dishes? Are there menu items you would love to see featured at Hearthside this season? Share Your Menu Ideas! Please take a moment to share your favorite menu suggestions through our Happy or Not survey. Your feedback helps us create menus that reflect the tastes and preferences of our residents. You can access the survey through:

- QR codes located on the dining tables in Hearthside and Fox Den
- The Uniguest App
- The Kiosk located across from the salad station in Hearthside

Your ideas matter! We look forward to hearing what you would like to see on our fall menu and bringing some of your favorites to the table.

Flu Shots – Residential Living Schedule

The flu shot vaccination clinic for Residential residents is scheduled for Thursday, September 17th in Health & Wellness. The schedule is attached.

Marketing

Dunwoody Village has a partnership with Main Line School Night, and residents who sign up for programs offered by MLSN can receive the discounted "member" price. Information about classes can be found at mainlineschoolnight.org. Residents wanting to register with the member discount can reach out to Esther McGill at emcgill@mainlineschoolnight.org.

Shoe Shopping at Dunwoody

Walking Depot, a well-known, high-quality shoe store located in Broomall, will be onsite in our auditorium on Monday, October 12, featuring shoes, sneakers, and slippers for sale. Some of you may remember when Walking Depot visited in the past, and we are happy to welcome them back. They will be here from 10:00am

through 3:00pm on the 12th. Both residents and staff are welcome. You do not need an appointment and can walk in, but to help the vendor best prepare inventory for their first time back at Dunwoody, it would be helpful if you sign up to express an interest. Residential residents can put their names on the sign-up sheet outside of Marketing, and Care Center residents can give their name to Activities. Cash, checks, and credit card are acceptable forms of payment.

Campus Operations

As we move into fall, the Grounds team will check for deer rubs on trees and install deterrents as needed. Please let Grounds know (through a work request) if you see any signs of damage so they can review that tree for a deterrent.

We welcome Charlie Holenstein as Dunwoody's new Technology Manager. Charlie will oversee the technology group and support both residents and staff. You can reach Charlie at 610-723-4650 or by submitting a support request. Please welcome Charlie when you see him on campus.

Best regards,
Maureen
