COVID Vaccination Clinic

If you reserved a COVID vaccine injection with Health and Wellness, please mark your calendars for October 6, 2026. We will be sending out the schedule of times in next week's memo. Please wear a short-sleeved shirt and be prepared to wait for 15 minutes after your injection for observation. Our team looks forward to another fun event!

Tai Chi Reminder

Tai Chi classes have returned to our Fitness Center and are held Saturday mornings at 11:30am. Tai Chi is widely considered modern science's "gold standard" for balance training and fall prevention. By combining slow, continuous physical movements with breath control, this low-impact practice strengthens the mind-body connection to drastically improve stability and coordination.

The door located outside Fox Den, in the Memorial Hallway, is currently being upgraded to provide residents with both entry and exit access during daytime hours. Once completed, the door will be fully powered and equipped with hand-wave activation as well as key card access, improving convenience and accessibility for residents.
